

Cheese Flavored Popcorn

Prep Time: 3 min **Cook Time:** 15 min

Ingredients Needed Per Batch

5 Gallons
Pre-Popped Mushroom Popcorn

16oz
Johnny Gee's Cheese Paste

Options

- ◆ Five Alarm Blazen

Instructions

Three Week Shelf Life

1:

Wipe the mixing bowl with a clean sanitary solution and allow to air dry thoroughly. Melt 16oz of cheese paste in microwave. Do not melt in cooker it will burn.

2:

Add 5 gallons of popped mushroom popcorn to mixing unit.

3:

Turn mixer to on position. Drizzle 16oz of melted Cheese Mix in to rotating corn. Mix for 5 minutes to dry product. *Over tumbling will cause damage to kernels.

4:

After everything is mixed thoroughly, dump your product into the cooling pan area to finish drying.

5:

Clean Tumbler and move on to next product if that is all of that flavor for the day.

6:

Separate using two popcorn scoops. When thoroughly cooled. Price, Label, Date and Pack into Johnny Gee's Savory Corn Bags.

Notes

- ◆ Five Alarm Cheese– Use 2oz less cheese paste and replace with 2oz of Five Alarm Blazen. If you require more heat level substitute oz per oz of Five Alarm Blazen for the Cheese.
