

Savory Shake Flavored Popcorn

Prep Time: 3 min

Cook Time: 15 min

Instructions

Three Week Shelf Life

1:

Wipe the mixing bowl with a clean sanitary solution and allow to air dry thoroughly.

2:

Add 5 gallons of popped mushroom popcorn to mixing unit. Turn mixer to on position. Drizzle 4oz Mor Gold Plus mixer is tumbling.

4: Shake the jar of flavored mix you are using to fluff as it tend to settle. Sprinkle 1/3 cup of the savory flavor mix on the rotating corn.

5:

Tumble for 3 minutes. *Over tumbling will cause damage to kernels. After everything is mixed thoroughly, dump your product into the cooling pan area. Separate using two popcorn scoops and pack in containers of choice.

6:

Clean Tumbler and move on to next product.

7:

Separate using two popcorn scoops. When thoroughly cooled. Price, Label, Date and Pack into Johnny Gee's Savory Corn Bags.
